### **AOC SECURITY PROCEDURES REQUIREMENT**

The Purpose of this AIC is to update to the required security procedures by aircraft operators registered in Botswana as laid down in Regulation 74 of BCARs (Air operator Certifications and Administration) Regulations 2013.

Security Policies and Procedures requirement.

An air Operator security and procedure manual shall have:-

- a) A description of security policies and procedures for handling and reporting crime on board such as unlawful interference, sabotage, hijacking and bomb threats, including the search procedure checklist to be carried on board the aircraft.
- b) Policy and procedures on the cause of action and search procedures when the aircraft is on the ground or in flight.
- c) Ensure that there is a checklist of the procedures to be followed in searching for a bomb and inspecting an aircraft for concealed weapons, explosives and other dangerous devices on all aircrafts under its operations.
- d) Security Instructions and Guidance  
Security instructions and guidance of a non-confidential nature which shall include the authority and responsibilities of operations personnel.

Preventative Security Measures and Training. A description of preventative security measures and training. (Note: Parts of the security instructions and guidance may be kept confidential.
